Issue	Date	Remarks
A	July 2011	First issue

Introduction

Use these instructions to install the Cosmetic Bezel on a 7409 terminal.
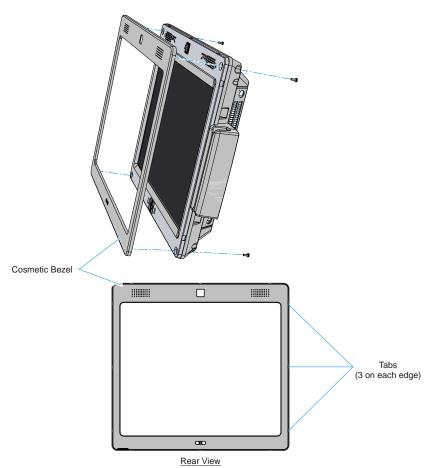

- 7409-K130 (Charcoal)

Each kit includes the bezel and four screws to install it.

Installation Procedures

The Cosmetic Bezel is held on by screws and plastic tabs on the bezel.

1. Install the Cosmetic Bezel, making sure all 12 tabs snap into place.

2. Secure the bezel with screws (4).
