Installation Procedures

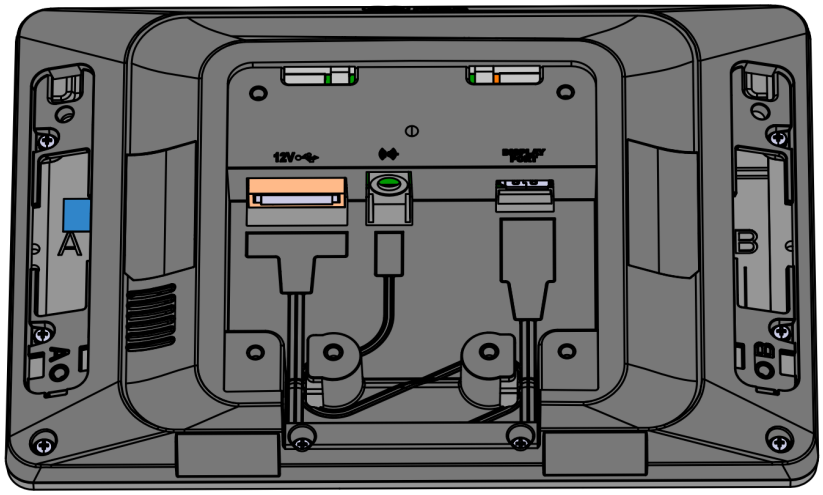
Installing the Second Display Mount on an NCR 7709 unit involves the following procedures:

1. Install the Second Display Mount on the Second Display unit. For more information, refer to *Installing the Second Display Mount* on the facing page.
2. Install the Second Display Assembly on the NCR 7709 kiosk. For more information, refer to *Installing the Second Display Assembly* on page 5.

Installing the Second Display Mount

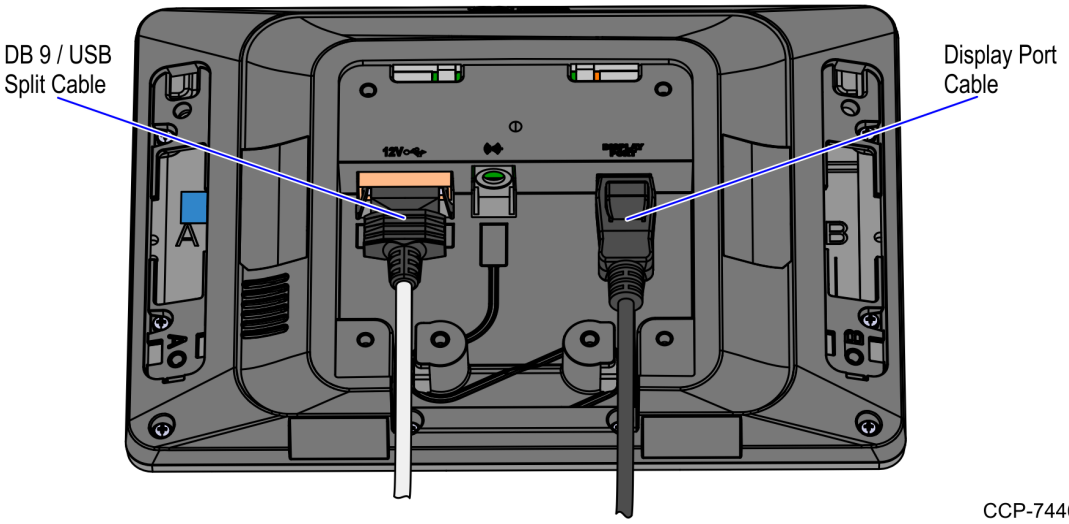
To install the Second Display Mount on the Second Display unit, follow these steps:

1. Place the Second Display on a flat surface with the back facing up as shown in the image below.



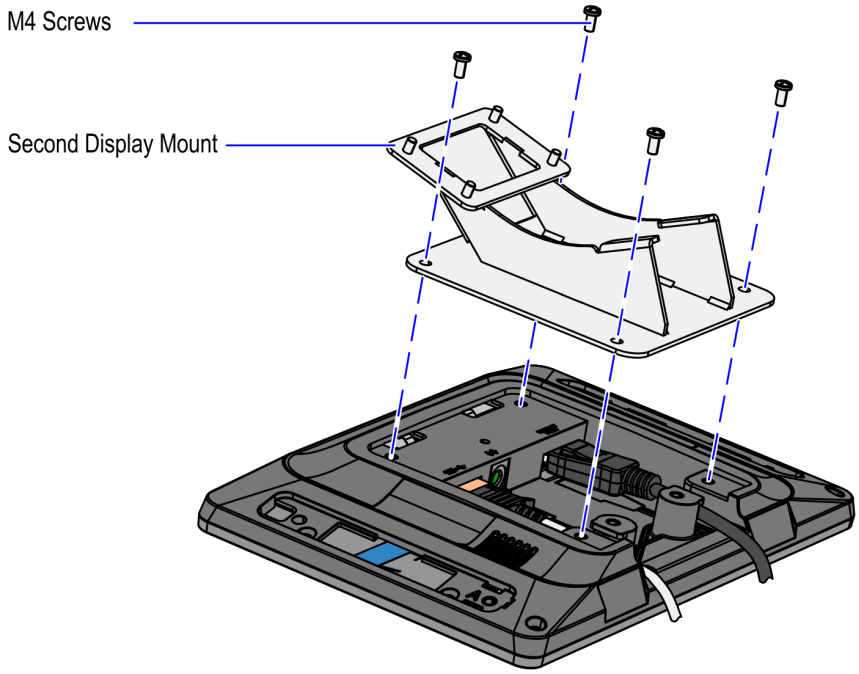
CCP-74463

2. Connect the DB9 / USB Split Cable and Display Port Cable as shown in the image below.



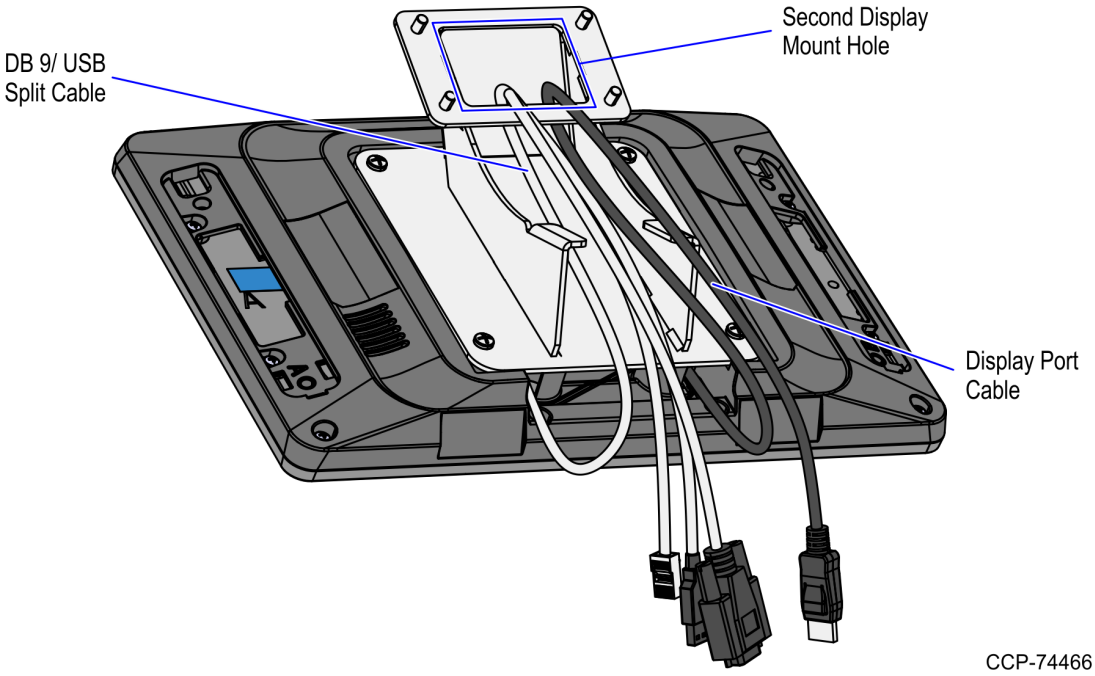
CCP-74464

3. Install and secure the Second Display Mount on the back of the Second Display unit using four M4 Screws.



CCP-74465

4. Route the cables through the Second Display Mount hole as shown in the image below.



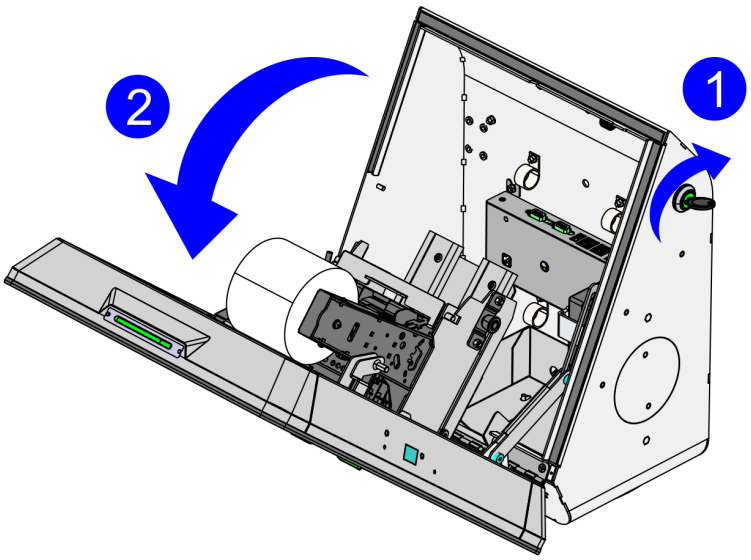
CCP-74466

5. Install the Second Display Assembly to the NCR 7709 kiosk. For more information, refer to *Installing the Second Display Assembly* on the facing page.

Installing the Second Display Assembly

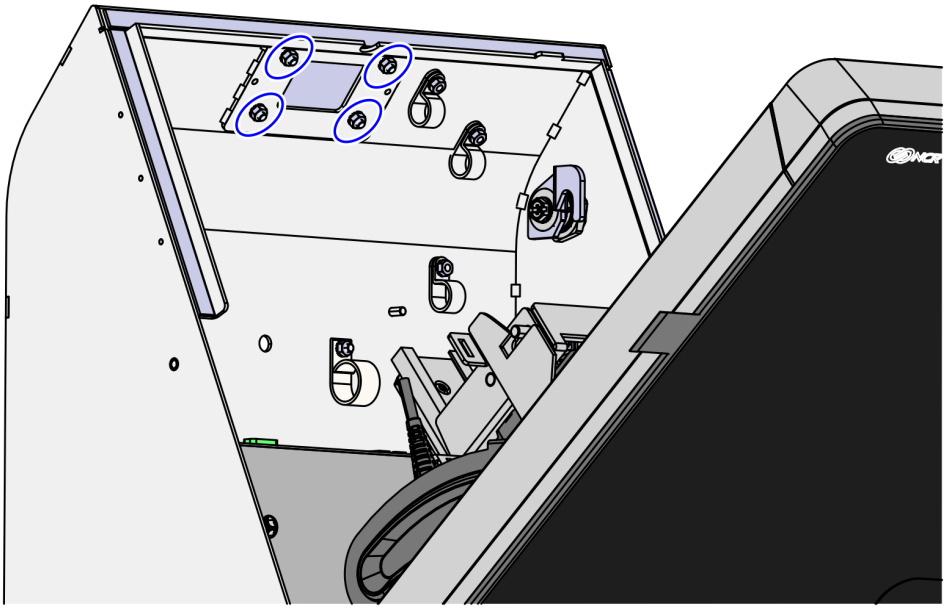
To install the Second Display Assembly on the NCR 7709, follow these steps:

1. Install the Second Display Mount on the Second Display unit. For more information, refer to *Installing the Second Display Mount* on page 3.
2. Insert the key into the NCR 7709 keylock, turn the key clockwise, and then carefully open the NCR 7709.



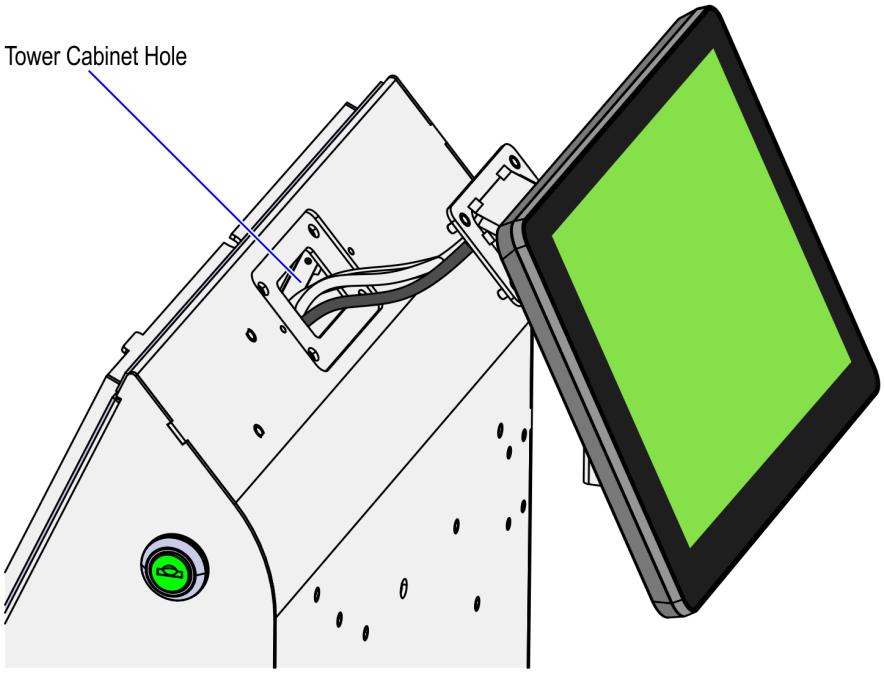
CCP-76602

3. Remove four nuts securing the Second Display Blanking.



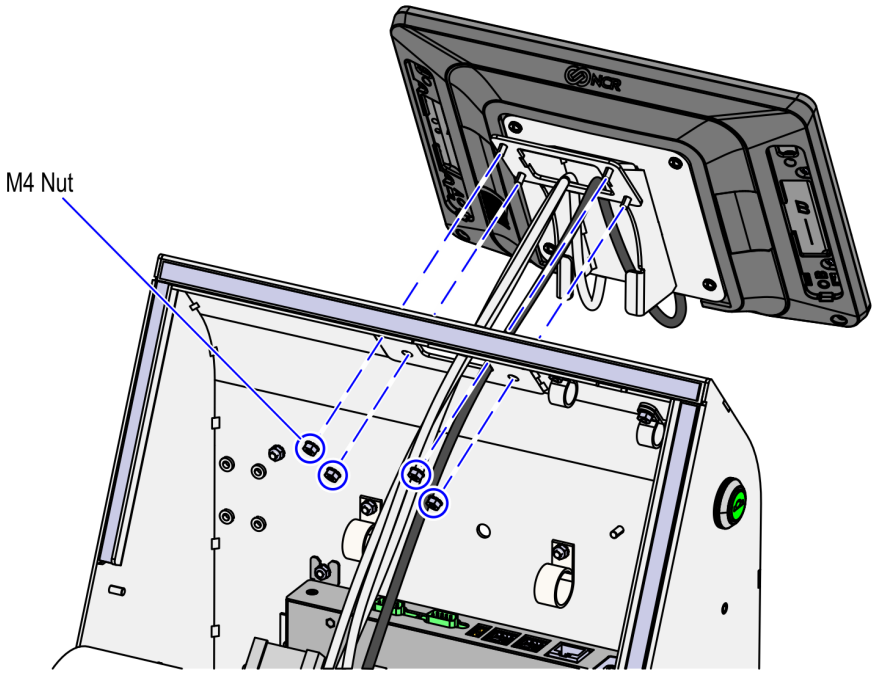
CCP-74468

4. Insert the Second Display cables through the NCR 7709 hole as shown in the image below.



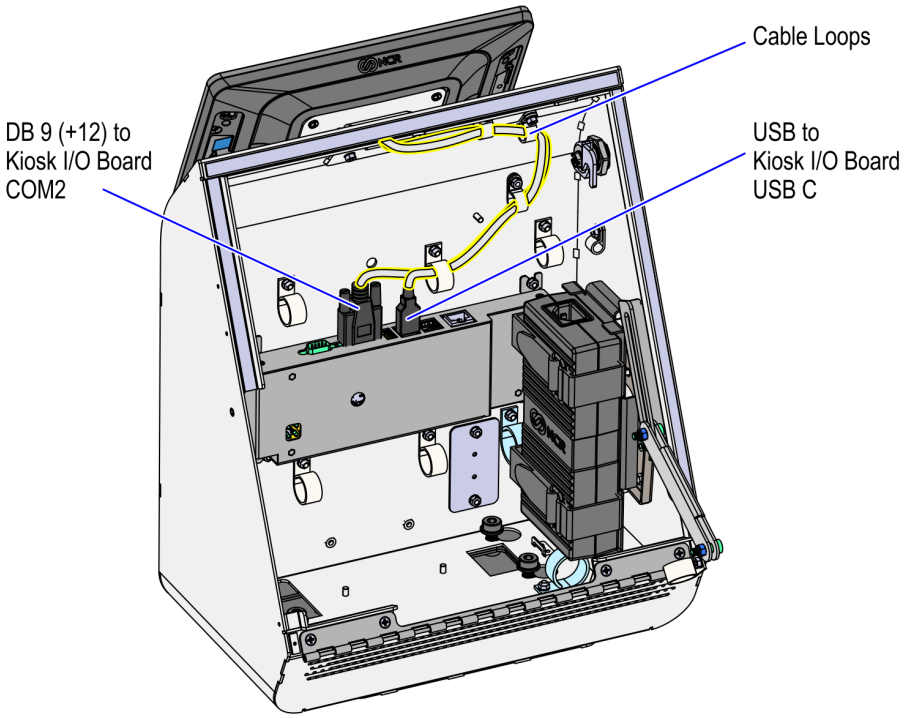
CCP-74469

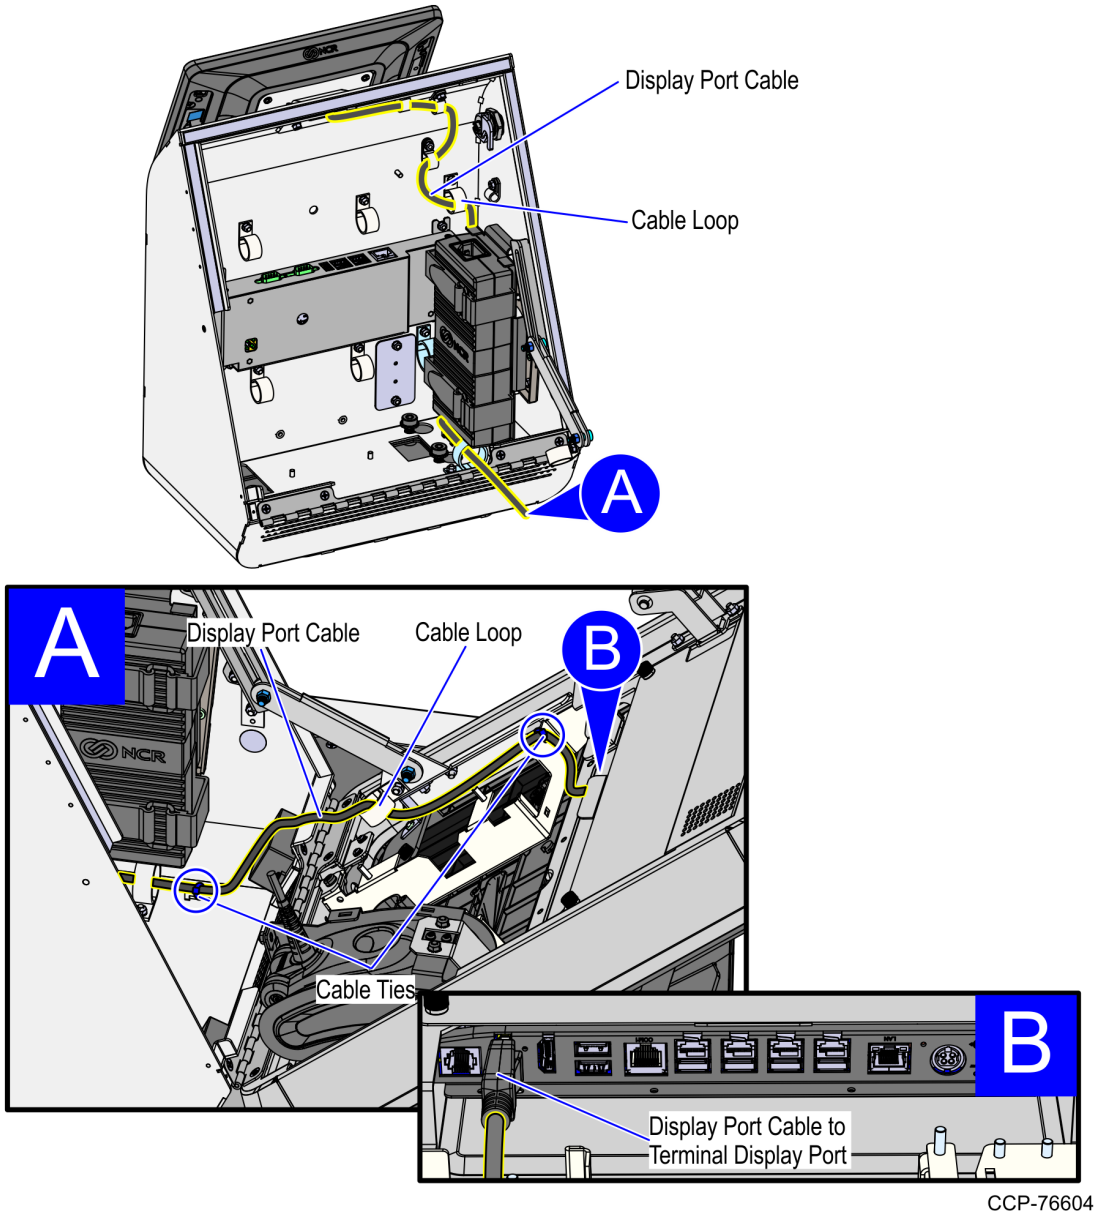
5. Install and secure the Second Display Assembly on the NCR 7709 using four M4 nuts.



CCP-74470

6. Route the DB9 / USB Split Cable through cable loops and then connect to the Kiosk I/O Board as shown in the image below.



CCP-76603


7. Route the Display Port Cable through cable loops and then connect to the NCR 7709 Port. Ensure that cables are secured with cable ties as shown in the image below.
