Installation Procedure

1. Secure the Wall Mount Bracket under a table top or vertical surface with the proper type of screws (4) for the surface type. Use the dimensions shown below or use the bracket as a template to mark the location of the holes.

   Note: If you are installing the bracket in a vertical position be sure to orient the bracket as shown below (eyelets in the screw holes pointing up).

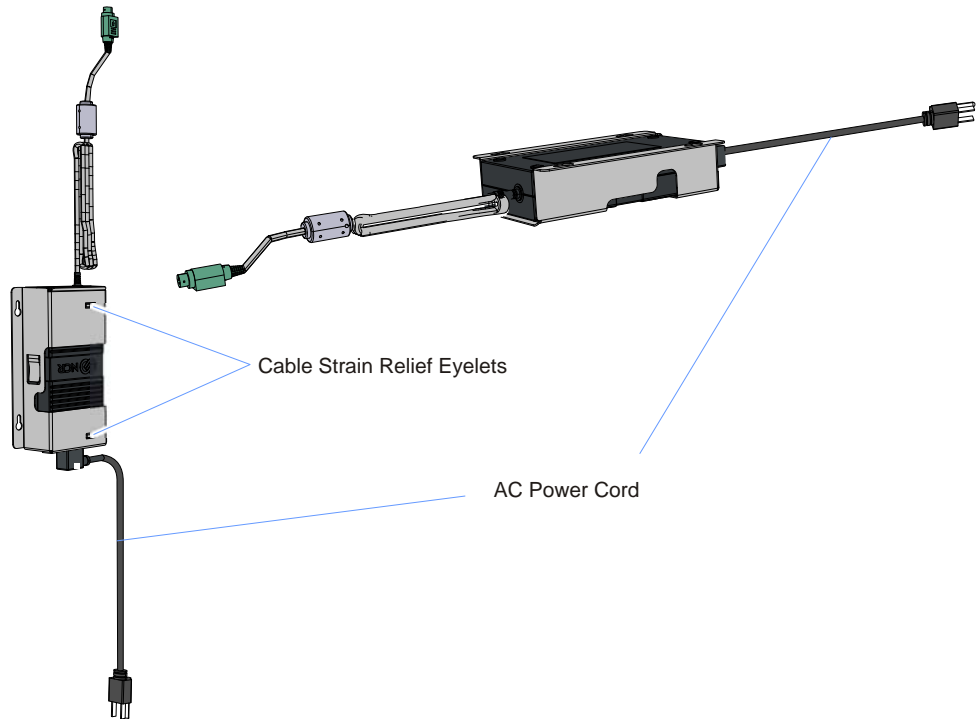

102 mm (4.0 in.)

43 mm (1.7 in.)

127 mm (5.0 in.)

180 mm (7.1 in.)

28774

2. Insert the Power Supply into the Bracket (AC connector end in first).
